Student Concert / Dance	7:00

Dancers & Special Guests:

Please know that if you are scheduled / invited to perform on someone else's concert set, you are very welcome to join them during their sound check time, but it's not compulsory. If you have invited dancer(s) or other guests who aren't able to join you at sound check, please tell Ed (sound engineer) and Eric (lead stage manager) during your sound check so they can prepare. Since time is limited, we respectfully remind you to keep sound checks to just that, and not to rehearsal time, so that we can keep things on schedule. Thanks!
