

AFTMD Student Concert Details

On Friday, June 28, at the end of this fabulous week together, the stage is YOURS! We invite you to collaborate with your friends and sign up to perform during our *Student Concert!*

Please see Jenny Donnelly, our esteemed and friendly “student concert liaison” to sign up! There’s a little photo of her here so you’ll recognize her :) Jenny will be around all week, just waiting for you to talk with her! If you don’t see her, you’re also welcome to text or call her with questions, or to sign up: (908) 303-8016.

There are a limited number of spots for each of the following:

- 8 Groups (3 or more people) for 5 minutes
- 4 Duos (2 people) for 4 minutes (please make sure this is a new collaboration, not a pre-existing to festival duo)
- 4 Solos (1 person) for 2 minutes
- 5 Ensemble Class performances for 5 minutes (Lissa & Emily, Shannon & Frances, Troy & Caitlin, and Moose Classes - you don’t have to sign up for these, just attend those classes and we’re saving room for you!)

Other notes:

- Please plan to perform only once, so more people can participate. (Don’t play in more than one group, etc.)
- Feel free to use the community board to let others know you’re looking for a collaborator; “2 fiddlers and an accordion player looking for a guitarist to join them in student concert performance”
- Deadline to sign up is end of breakfast on Friday
- Concert order will be posted late afternoon / dinner on Friday on community board & at Gates
