COA Wi-Fi Instructions

To access Wi-Fi at College of the Atlantic on your laptop, phone, tablet or other device, please follow these instructions.

- in your Wi-Fi settings select the network called "coacloud"
- open a browser (Safari, Chrome, Firefox, etc.) on your device
- some devices will automatically redirect to the "COA Network Access Acceptable Use Policy"
- if you are not automatically redirected, please enter: http://connect (in your browser bar)
- then review and accept the terms of use
- on the next screen click the hyperlink for "Guest Without an Account"
- you will be prompted to enter your name, basic contact information and your reason for visiting (you can just put "Acadia Trad" or something similar)
- it will take about 30 seconds to establish your connection
- sometimes you will lose your connection going between different buildings / parts of campus so if you are having trouble, try repeating these steps

Please remember that there are many people attending Acadia Trad who will be able to help you troubleshoot if you are having challenges. Ask a dorm mate or a fellow participant before approaching Staff / Directors, and remember, we are all here to help you if and when you need it!
